

# Host a Dress Down Day to benefit Annie C Courtney Foundation!

A **Dress Down Day** is a great way to support the **Annie C Courtney Foundation** while enjoying the luxury of a more casual day at work!

By participating in the **Dress Down Day** your employees and/or co-workers will be supporting Annie C and the families and young adults we serve while helping to increase awareness in the workplace of the need for additional foster and adoptive families. For a twist, you could organize a themed **Dress Down Day** – you pick the theme!

You simply choose a day when your organization would like to host a **Dress Down Day** to support **Annie C**. Then have your employees and/or co-workers donate a designated fee (typically \$5 – you can decide) for the privilege to dress down. Remember, the more people that participate, the more money you will raise which will help make a difference in the lives of the families that **Annie C** serves.

All registered participants will receive information about the different ways to support kids who have experienced foster care. They will know that they are helping by increasing awareness in the workplace of the need for foster and adoptive families for older kids.

We will provide posters in advance of the event to publicize your **Dress Down Day**!

We would be happy to come to your business to make a presentation about the **Annie C Courtney Foundation** and the critical need for families for older children.

**Annie C** is the first social service agency in this state to provide Extreme Recruitment® services to youth in foster care who most need permanent connections and have been unable to access family supports. Extreme Recruitment® works exclusively with the hardest-to-place children: ages 10-18, sibling groups, children of minority status, and youth with emotional, developmental, or behavioral concerns. Annie C also manages a large community coalition of foster care and adoption providers focused exclusively on enlisting and supporting foster and adoptive families in CT for children waiting for a place to call home.

**Annie C Courtney Foundation** is a registered 501(c)(3) organization.
